FROM: Ted Corvino – Assistant Headmaster, Lower School Director

RE: Large Car Pool Pick Up at the Rear Entrance

If you have not contacted me previously, there is still time to sign up for the afternoon large car pool (four or more children) at the rear entrance of school. Please fill out the tear-off form at the bottom of this page and return it to the Lower School Office as soon as possible. We have already received a number of requests, and since we only have a limited number of spaces, a lottery system will be used if necessary. We will get back to you as soon as possible with the final list.

I would like to reserve a space in the large car pool group that will line up in the back circle. I will be the contact person for my car pool.

Parent _____

My car pool consists of the following students:
