### For k and grade 1

Kindergarten applicants are evaluated individually. After submitting the application form and application fee, please call the Admission Office to set up an appointment. Evaluations begin in November.

First grade applicants are not required to schedule an individual visit.

### For grades 2 through 5

Applicants for admission to grades 2 through 5 must take an entrance examination (the ERB CTPIV) which is administered on the dates given below at The Pingry School's Short Hills campus. The ISEE will be accepted in lieu of the ERB CTPIV for applicants to grade 5.

Applicants who are also applying to Kent Place School, Oak Knoll School, and The Peck School should only take the entrance examination once. The Admission Offices will share scores upon a parent's written request.

**Please detach and return the form below together with your application form.**
