

History

The Pingry School, a coeducational, independent college preparatory school founded by Dr. John F. Pingry in 1861, consists of the Short Hills Campus (Lower School, K-5, 288 students) and Basking Ridge Campus (Middle School, 6-8, 270 students and Upper School, 9-12, 571 students).

School Community

Pingry's Honor Code was written by the students in 1926 and adopted by the faculty in 1949. To this day, the Honor Code provides a foundation on which our program is built. Pingry stresses high ethical standards and an expectation that each individual within the community will work for the greater good. This helps to create a reflective institution whose members strive for excellence in every endeavor.

Pingry's deliberate and thorough admission process leads to a multi-talented student body drawn from over 90 municipalities in New Jersey, New York, and Pennsylvania. The School's challenging, comprehensive, and well-rounded liberal arts curriculum is supported by robust visual and performing arts and competitive athletics programs, a combination that produces engaged, hard-working graduates who value diverse perspectives. The average tenure of Pingry's 172 full-time faculty is 11 years; of these full-time faculty, 125 hold advanced degrees, including 23 doctorates.

Academics

Pingry is recognized for its outstanding academic program. The school offers courses at the college-prep, honors, Advanced Placement, and Advanced Topics levels. The standard academic load is 5 courses and the year is divided into 2 semesters.

Graduation Requirements — 51 credits

- English — 4 years
- Math — 3 years
- Lab Science — 2 years
- History — 3 years
- World/Classical Language — 3 consecutive years of the same language
- Art, Drama, or Music — 1 year

Students are required to have 4 years of physical education, earned through coursework, interscholastic athletic participation, or approved outside activity. Students must complete 1 trimester of financial literacy and 2 trimesters of health education. Students must also complete 10 hours of community service each year for graduation. All seniors are required to do an independent senior project (ISP) in May of senior year.

Grading System

A+ = 97 or above	B+ = 87 – 89	C+ = 77 – 79	D+ = 67 – 69	F = Below 60
A = 93 – 96	B = 83 – 86	C = 73 – 76	D = 63 – 66	P = Pass
A- = 90 – 92	B- = 80 – 82	C- = 70 – 72	D- = 60 – 62	

A cumulative grade point average is not calculated. Pingry does not rank students.

Advanced Placement, Advanced Topics, and Honors Courses - All Students

Enrollment in Advanced Placement, Advanced Topics, and Honors courses is by faculty invitation only. There is no limit to the number of Advanced Placement, Advanced Topics, or Honors courses a student may take. **17 Advanced Placement courses, 7 Advanced Topics courses, and 19 Honors courses are offered.** Any student may sit for an AP exam. Students enrolled in an AP designated course must sit for the corresponding AP exam. If the student does not take the AP exam, the course will be noted as an Honors course on the final transcript. In May 2017, 280 students (127 seniors, 108 juniors, 27 sophomores, and 4 freshmen or under) wrote 662 exams. **90% of scores were three or higher.**

Students taking AP Physics are required to take Mechanics; some choose to take E&M. AP German and AP French courses have been replaced by Advanced Topics German and French. Pingry does not offer AP courses for English, Comparative Government, Human Geography. Students taking World History are typically 10th graders who have completed World History (not an AP course); students taking Environmental Science Honors are typically 11th or 12th graders who have completed Environmental Science Honors (not an AP Course).

Note: Students must study 3 consecutive years of the same foreign language in the Upper School. Credit is given for the first year of a language successfully completed in grades 7 and 8. Most freshmen continue their foreign language studies at the second year level. The first year of any language is available to all students. Classes denoted 1/2 or 2/3 are bridge courses designed to facilitate the transition between 2 levels of study.

**post-AP class*

***Advanced Topics courses have taken the place of AP in French and German, following a similar curriculum. In 2017, AP Latin 5 was replaced by Advanced Topics.*
