Pingry: un printemps en France

The Pingry School is partnering with Le Centre Madeleine Daniélou in Rueil-Malmaison, France.

Rueil-Malmaison is a beautiful suburb just a quick commuter train ride from Paris.

We will travel there from 3/11-21, and then we will host our new French friends just a few weeks later.

Le Centre Madeleine Daniélou...

Rueil-Malmaison, France

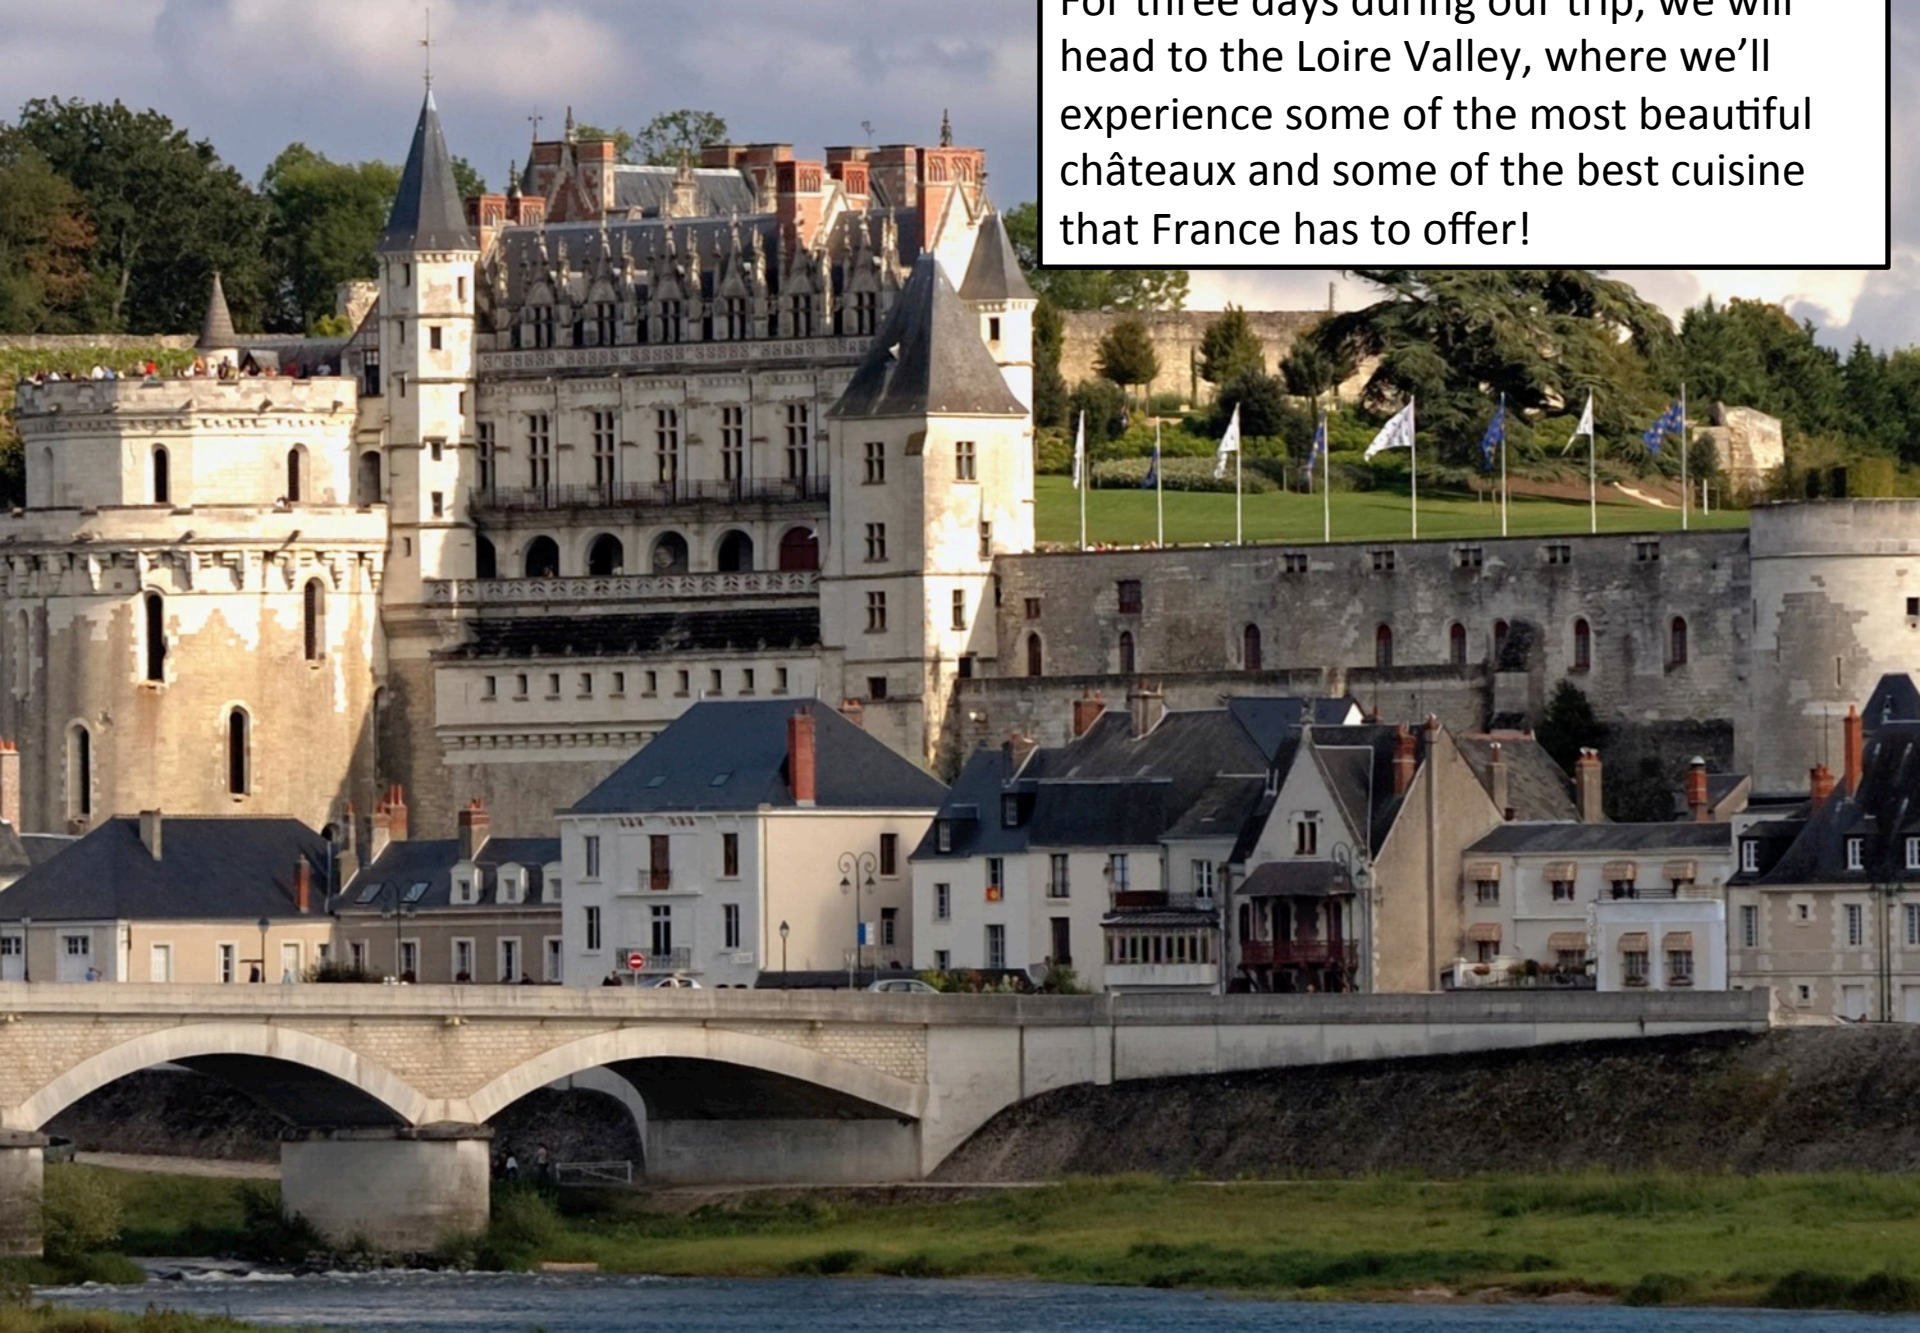

During school days, while our host families are at school and work, Pingry students will explore PARIS with Mme Geacintov and M. Benoit.

Students will help collaborate on our “Springtime in Paris” itinerary.

For three days during our trip, we will head to the Loire Valley, where we'll experience some of the most beautiful châteaux and some of the best cuisine that France has to offer!

Please encourage your parents to attend the Spring Break Trips meeting on **Monday, 10/10 at 6:00 pm** (*and come with them!*).

Registration deadline will be coming fast – only two weeks later!

This is a great way to have a great time while learning so much about language and culture. You can make lifelong connections with people your age in France, and experience the country in ways that are impossible with a simple touristy trip.

Enrollment will be limited to 15 students, so sign up fast!
